North Dakota Society of Radiologic Technologists  
Tina Rodgers  
1815 Terrace Dr.  
Minot, ND 58703

Dear Tina,

According to our records, the North Dakota Society of Radiologic Technologists will conduct its annual conference April 8-10, 2010. Please consider the following items:

- Enclosed is a printout of ASRT members in your state. Unless your society's bylaws state otherwise, officers **must** be active members of your affiliate society and members of the ASRT. The printout is for your use in determining whether elected/appointed officers are ASRT members, thereby ensuring that your affiliate society complies with its bylaws.
- The Election Report Form can be found on the ASRT Web site in a printable or electronic version <https://www.asrt.org/content/governance/affiliatelinks.aspx>. The Affiliate President will need to **complete and return** to the ASRT by April 24, 2010. We encourage state societies to take advantage of affiliate and chapter delegates during the conference by asking them to report on ASRT activities.

We request that you provide ASRT membership applications and other information to participants who attend your meeting and who may be interested in joining. Also enclosed are a Request for Approval packet for your program director or educational committee, one complimentary membership and home studies to use as you see fit, for example as door prizes or raffle items.

The ASRT wishes you a successful annual conference. If we may be of assistance to you, please contact us.

Sincerely,

A handwritten signature in cursive script that reads "Lavern Smith".
